This CLASSIC 6x3m billboard is on the left side of the road at the junction of two main exits from Townsville's CBD. It's directly opposite Queensland Country Bank Stadium and is visible to traffic leaving town by Stanley Street or Denham Street travelling to the southern suburbs of Townsville or onto the Bruce Highway. Mounted on a single pole and illuminated to ensure visibility this site offers great potential to advertisers in one of Queensland's largest regional centres.

Restrictions: Political advertising is allowed if generic or positive. With the exception of religious charities or events, no advertising of religion. No advertising depicting property developers, rail fabrication, or driving training groups. Tower access required.
